

Safeguarding During the Coronavirus (COVID-19) Outbreak

This appendix has been created in line with the DfE's 'Coronavirus (COVID-19): safeguarding in schools, colleges and other providers' guidance.

Statement of intent

We understand that we face a time of great uncertainty and, as a school, we are doing all we can to provide clarity and safety to the school community. This appendix includes provisions which the school will have due regard for during the coronavirus pandemic. The information in this section is under constant review and is updated to reflect changes to government guidance as it is released.

1. Key definitions

1.1 For the purpose of this policy, the following definitions will be utilised:

- **Children of keyworkers:** children of parents who work in the following industries:
 - Health and social care, e.g. doctors and nurses
 - Education and childcare, e.g. teachers and DSLs
 - Local and national government, e.g. administrative occupations
 - Food and essential goods retail, e.g. supermarket workers and grocers
 - Public safety and national security, e.g. police and ministry of defence workers
 - Transport, e.g. freight transport workers and train drivers
 - Utilities, communication and financial services, e.g. bankers, oil workers, and telecommunications (999 and 111 critical services)
- **Vulnerable children:** those who have a social worker and those with EHC plans. Those who have a social worker include children who have a child protection plan and those who are looked after by the LA. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

2. The role of the DSL and Deputy DSL

2.1 In light of the current crisis, the school has additional measures in place to ensure the safety and wellbeing of its pupils – this approach is led by the DSL. The DSL (Mr Deane) , working with other senior staff, school SENCOs and class teachers drew up a list of all children considered vulnerable during the week ending 23rd March 2020. This list has been kept under constant review and been added to when necessary. It has been shared with Salford LA and contains not only those children subject to Child Protection regulations, but also those working @ Child in Need (CIN) level and a wider group of pupils known to staff considered vulnerable.

These children have been contacted by phone twice weekly during schools partial closure. Specific staff have been designated to complete this role. Follow up home visits have been made by DSL and the deputy DSL if contact via phone has been problematic. Any safeguarding issues arising from this twice weekly contact are followed up using the schools standard safeguarding procedures.

2.2 During partial school closure, the DSL and their deputies are responsible for:

- The DSL and his deputy are available at all times, either in school or via telephone or online communication.
- Being responsible for amending Appendix A (this section) in line with the continual changes to education policy released by the DfE and communicating all changes to staff and volunteers.
- Identifying vulnerable children and communicating additional safeguarding provisions to pupils and their families.
- Working with the LA to protect vulnerable children.
- Ensuring staff are aware of reporting channels for safeguarding concerns – these remain the same – all concerns via CPOMs
- Sharing their contact information with the school community.
- Ensuring there is a consistent approach to safeguarding children throughout the coronavirus pandemic.
- Providing pupils with clear communication channels so they can report any concerns they have, including reports of peer-on-peer abuse.
- Ensuring any pupil who is not formally considered as vulnerable, but who may still be vulnerable, has access to school where required.
- Identifying a suitable member of the SLT to assume the role of temporary DSL should both themselves and their deputies become unable to work.

2.3 The DSL will report back to the governing board on all relevant safeguarding concerns experienced during partial school closure.

2.4 The DSL will work with the local safeguarding partners to ensure pupils remain safe during partial school closure.

3. Attendance

3.1 The school will no longer use its regular attendance register to record attendance during partial school closure.

3.2 The school will report to the DfE the number of pupils in school and whether they remain partially closed using [the online form](#). This form will be submitted by 12:00pm each weekday.

3.3 The school will record and investigate any absences where it expected a child to attend school and did not or where parents have arranged care for their child who subsequently did not attend.

4. Staff training and safeguarding induction

- 4.1 The school will ensure that all existing school staff have read part one of 'Keeping children safe in education' (KCSIE) and are suitably trained in this policy and any local safeguarding arrangements.
- 4.2 The school will follow safer recruitment processes, in line with the relevant policy, when acquiring new staff.
- 4.3 Anyone who has not undergone suitable DBS checks will not be left unattended with pupils.
- 4.4 The school will report anyone to the TRA who they consider a safeguarding risk by emailing Misconduct.Teacher@education.gov.uk – all referrals received by the TRA will continue to be considered.
- 4.5 The school will have a rota system which allows the DSL to be aware of who will be in school at any one given time.
- 4.6 The school will keep a record of each record of attendance for staff and pupils within school and any additional risk assessments made on staff in a secure file, e.g. the SCR.

Online safety and security

- 4.7 All online programmes used will be checked by the school's **DPO** and DSL to ensure they are reputable and GDPR compliant.
- 4.8 The **ICT technician** will work to ensure any loaned devices are secure and have the necessary antivirus malware protection downloaded.
- 4.9 Any online queries which require the **ICT technician** will be addressed over the phone or online as much as possible – face-to-face contact is kept to a minimum.
- 4.10 The DSL will report back to the governing board how they are ensuring pupils remain safe online during partial school closure.
- 4.11 Pupils will report any suspicious online activity they encounter to the DSL or **headteacher**.
- 4.12 Staff will adhere to the **Staff Code of Conduct** at all times when delivering education online.
- 4.13 Staff will report concerns over a pupil's safety online to the DSL.
- 4.14 The school will collaborate with parents and carers to reinforce the importance of online safety.

5. Mental health

- 5.1 The school understands how the coronavirus pandemic can cause pupils and staff to feel anxious and concerned and will offer any essential support required to those in need.
- 5.2 The headteacher will encourage line managers to hold one-to-one meetings with their staff over the phone or via a video call to ensure they feel supported during this stressful time.
- 5.3 Pupils will be provided with different resources they can access to help them cope with their mental health, including ChildLine and other online services.
- 5.4 Face-to-face support will only be provided where necessary or unavoidable

6. Supporting pupils at home

- 6.1 Pupils will be directed to practical online support, such as ChildLine, where they feel unsafe and require support outside of school.
- 6.2 Parents are given a list of websites their child will be accessing and any information of online sessions with staff their child will be participating in during partial school closure.
- 6.3 Parents are provided with the contact details of the DSL so they can report any concerns they have.

7. Peer-on-peer abuse

- 7.1 The DSL will implement robust reporting procedures for peer-on-peer abuse during partial school closure and communicate these to all staff, pupils and parents.
- 7.2 Reports made regarding peer-on-peer abuse will be risk assessed by the DSL on a case-by-case basis and, where required, investigated immediately and reported to the relevant authority, e.g. the police or CSCS where required.
- 7.3 Both the alleged perpetrator and victim will be provided with support whilst the report is being investigated.
- 7.4 Pupils will be provided with the contact details of relevant bodies who can provide support to them during this time, e.g. ChildLine.
- 7.5 The DSL will keep the victim, the alleged perpetrator and their families up-to-date where necessary with details of the investigation, including the conclusion and how appeals can be made.
- 7.6 Communications will be made online or by telephone, unless face-to-face contact is unavoidable.

8. Monitoring and review

- 8.1 The DSL is responsible for continually monitoring DfE updates and updating this appendix in line with any government changes and guidance from the local safeguarding partners.
- 8.2 Any changes to this appendix will be communicated to all staff, parents and relevant stakeholders.
